

Freight Solutions Simplified

To provide a best in class service that focuses on Quality, Cost & Customer Satisfaction.

IOR Global is an organization that is dedicated to provide the highest levels of freight transportation services across the globe. The company strives to maintain a very high degree of quality whilst providing and executing the delivery promise made to its customers. This is achieved through our highly motivated and professional staff who focus on total customer satisfaction at all times.

Vision & Mission

IOR / EOR SERVICES

IOR Global understands needs of the global trading community to have a reliable and exclusive organization to be their IOR (Importer of Records) as well as EOR (Exporter of Records) to ensure they can easily expand cross border without the hindrance of establishing legal entities in each country they wish to operate. The solution we provide covers IOR/EOR requirements to multiple countries through a single billing mechanism thus providing a one point contact to all our customers. Most of the countries across the globe requires fiscal presence in each country in order to import or export goods.

IOR Global supports your business when our customers don't have any corporate presence through our established agents in each country return services.

CUSTOMS BROKERAGE

We provide service for In-bound and Out-bound customs clearances and all associated documentation. We have a dedicated team of highly trained and experienced customs clearance agents who simplify the process of all import and export formalities. The services provided by IOR Global includes both in-bound and out-bound customs clearances at all Air & Sea ports in the UAE.

LEGALIZATION & CERTIFICATION

We support our customer to obtain legalization from the chamber of commerce, attestation from embassies, quality certificates for the destination country's clearance requirements like SASO and CITC

PACKAGING

As part of our customer centric approach and to provide a one stop shop for our customers we offer a diverse range of packaging to ensure the safety of your consignments.

AIR FREIGHT

Our freight solutions look at every single aspect starting with timely pickup of your goods, from using reliable airlines with competitive rates to tracking your freight proactively right up to the airport or door to door at the shortest possible transit time and providing you with the final delivery confirmation.

AIR CHARTER

We charter aircrafts for bulk load consignments at very competitive rates. Our expertise in Charter stretches from the Middle East to Africa and CIS countries in the shortest possible time frame.

SEA FREIGHT

Our tie ups with major shipping lines and a network of agents worldwide have given us the advantage of being very competitive both in terms of cost and service quality for full container load (FCL) and less than container load (LCL) consignments.

Road Transportation

We have a fleet of 3 ton to 10 ton pickups as well as 20/40 ft trailers which can cater to your requirement for surface transportation both in the UAE as well as across the Middle East at the most competitive rates and in the shortest possible time. This includes taking care of all the associated documentation required for clearance of your goods.

WAREHOUSING

We provide warehousing facilities and solutions for our customers. We can also additionally arrange to import your consignments under customs bond and to break bulk your consignments for distribution worldwide. We can provide this service by also being your importer of records.
